SUMMARY

An MCA graduate with a strong foundation in full-stack development, skilled in building scalable web applications and delivering efficient, user-centric software solutions.

TECHNICAL SKILLS

Programming Languages:	JavaScript, Python, PHP, Java
Backend:	Node.js, Express.js, PHP
Frontend:	React.js, HTML5, CSS3, JavaScript, Bootstrap
Databases:	MongoDB, MySQL
Tools & Platforms:	Git, GitHub, Postman, VS Code

PROJECTS

Shesphere – Women's Health and Safety Companion   *Node.js, Express.js, React.js, MongoDB*

– Developed a women-focused health and safety platform with three distinct user roles.
– Built a menstrual and ovulation tracker, and an emergency alert system.
– Integrated an e-commerce module featuring 50+ products with a secure payment workflow.
– Designed an admin dashboard for analytics, staff verification, and resource management.
– Implemented JWT-based authentication and real-time consultation functionality.
– Optimized backend performance, improving overall system efficiency.

E-Hub – Esports Marketplace   *PHP, MySQL, HTML, CSS, JavaScript*

– Developed a digital marketplace for gaming enthusiasts featuring over 100 products.
– Built a secure checkout flow linking all cart items to a single order ID, minimizing errors.
– Implemented user account management with authentication, session handling, and encrypted data storage.
– Optimized database queries to improve performance and reduce page load times.
– Delivered a fully responsive frontend, ensuring seamless accessibility across devices.

EDUCATION

Master of Computer Applications (MCA), Nirmala College, Muvattupuzha   2023 – 2025
CGPA: 8.42

Bachelor of Science in Computer Science, Swamy Saswathikananda College   2020 – 2023
CGPA: 8.09

LANGUAGES

English (Fluent), Malayalam (Native), Hindi (Intermediate)
